Patrons, Owners and Trainers are advised that due to the inclement weather the race meeting set down for 6th August, 2016 has been abandoned.

Due to the continual rain the training track has been closed for six days over the last two weeks severely interfering with the preparation of the horses for the race meeting on 6<sup>th</sup> August, 2016.

The Thoroughbred Auction will now be held following the race meeting on 20<sup>th</sup> August, 2016.
