MESSAGE FROM HON. MINISTER OF SPORTS

As the minister of sports, it is great pleasure to announce that Royal Turf Club have passed a huge milestone in horse racing sport in Sri Lanka within a short period of time.

I am personally thankful to RTC for decades redundant infrastructure was transformed back to international level of horse racing venue in Sri Lanka.

I have seen the quality of horse racing developing, race to race from day one when RTC took over Nuwara Eliya Race Course in mid 2015. RTC have introduced international level throughbred horse auctions, provided first equine hospital in Sri Lanka with modern technology and facilities, first equine ambulance in Sri Lanka. This has given a great improvement in general health levels of horse population and thereby providing high level contribution for animal welfare.

I have no doubt this will open a new platform for international racing sport culture in Sri Lanka in near future.

I am glad and happy to announce that Royal Turf Club has legally obtained a long term lease period of time from Ministry of sports. This will open a platform for local and international horse racing community to participate in "Kings of Sport" in our country.

I wish you all, best of luck & happy Sinhala and Tamil New year. 2018

Hon. Dayasiri Jayasekara (M.P.)
Minister of Sports

MESSAGE FROM HON MINISTER OF PLANTATION INDUSTRIES

As Minister of Plantation Industries, MP for Nuwara Eliya and Chief Organizer for the District of Nuwara Eliya, I send my warm wishes to The Royal Turf Club, its Committee, Officials and all Equine Sport Lovers of Sri Lanka on the occasion of the Srilankan Airlines RTC Magic Million and Shivantha Thambiayah Memorial Million races to be held on 15th April 2018.

I note that RTC has held yet another successful Spring Season which will draw to a close on 15th April. I have been made to understand that this season has seen record crowds which has helped the economy of Nuwara Eliya and especially the Hotel Sector in a big way. I have been given to understand that further monthly events are to be held in the rest of 2018 which will continue to assist the Economy of Nuwara Eliya in a big way.

I am also happy to note that several new horses are on the way to Nuwara Eliya which is sure to provide more employment to the youth of Nuwara Eliya.

I thank RTC President Mr Panduka Keerthinanda, The Committee of Royal Turf Club, CEO Mr Sinclair Marshall and all the other officials for their immense contribution to making Royal Turf Club a Body that's contributing immensely to sports tourism through this well managed Club. I am also impressed with the Independent, fair and Professional management of the Club and send my wishes for many more years to come.
