I am extremely happy to give this message to the souvenir of the Royal Turf Club Colombo. The Royal Turf Club was formed to promote and encourage horse racing in Sri Lanka.

I am happy to note that RTF has recruited reputable professionals to manage and promote Horse raising in Sri Lanka. RTF has also invested large sum of money in the Nuwara Eliya Race Course. In terms of Track Development, Upgrading of Structures and Rehabilitation of Grand Stand. I am thankful for the RTF for making these investments as they have not happened earlier. I wish the RTF many years of successful horse racing in Sri Lanka.

Wishing you all the very best.

A Message from the Chief Executive Officer and Chairman Of Stipendiary Stewards

I am relishing the challenge of bringing professionalism to the horse racing industry in Sri Lanka This rejuvenated racecourse will be a tremendous attraction for the public seeing these historic grandstands and other buildings taking on a new appearance. Sometimes I feel like the walls want to talk and tell of the great days of racing in Nuwara Eliya and thank the Royal Turf Club for bringing them back to life after being neglected.

I have a great responsibility not only to the Royal Turf Club and those who will participate in horse racing from Owners, Trainers, riders, stable lads and the various suppliers but also to the people of Sri Lanka. I want to provide them with exciting entertainment in a clean competitive sport that will attract not only foreign visitors but also foreign investment in people wishing to race in Nuwara Eliya. Not if, but when this happens with an increase in horses the flow on effect will be an increase in employment and a boost for the economy of Sri Lanka in an industry that was not contributing very much to the community.

I am humbled to have been appointed as the inaugural Chief Executive Officer and Chairman of Stipendiary Stewards by the Royal Turf Club Committee. I know that with the support of all participants past and present and of the people of Sri Lanka we can all be proud of what thoroughbred racing in this country will become, so join with the Committee in taking thoroughbred racing back to its halcyon days.
